5 Consent for Participation in Coaching Activities

Parental/guardian consent

I, being the parent/guardian of the child identified below, have read the information on this form and in the following notes and give consent for my child to take part in the coaching sessions. I understand and agree that my son/daughter/child in my care, participates in coaching sessions under the instruction of British Triathlon Federation coaches entirely at his/her own risk. I have considered the nature of such sessions and have discussed them with my son/daughter/child in my care. I am satisfied that they are sufficiently responsible and competent to assume full and entire responsibility for their own safety under the supervision of a British Triathlon Federation coach.

Notes:

- You are giving consent for the child named below to participate in coaching sessions.
- It is part of the *Code of Practice for Triathlon Coaches* to ensure that reasonable steps are taken to establish a safe environment where young participants can enjoy developing their triathlon skills. The parent(s)/guardian(s) are welcome to stay and watch the session, but this is not compulsory.
- Young participants are expected to remain in the session from beginning to end, unless they have to leave early. If the participant has to leave early or is being collected by someone other than the parent/guardian, the parent/guardian must advise the coach of the details of the arrangement, including who will be collecting the participant.
- Any young participants who persistently misbehave or put others in danger will be asked to leave the sessions and will not be allowed to attend in future.

Please ensure that you make a note of any medical conditions your child has/you feel the coach should know about in Section 3 of this form. If you have any concerns about your child participating in any form of physical activity, please consult your GP before giving permission for your child to take part in the coaching sessions.

Photographs may be taken at sessions to be used on the website for publicity purposes. Please advise if you would prefer this not to happen.
